

WORKING AND LIVING AT AYERS ROCK

Ayers Rock Resort offers a unique employment experience for those with a sense of adventure looking to experience the diversity of the outback. It offers numerous career opportunities and a chance to experience a very different way of life.

Getting there

Ayers Rock is located in the heart of Australia, 450km south west of Alice Springs. The resort lies at the gateway to Uluru–Kata Tjuta National Park in the Northern Territory. Whether arriving by bus, car or plane, a representative will meet you, take you on a tour of the resort and get you settled in your accommodation. Qantas flies to Ayers Rock Airport daily from most capital cities. We recommend arrival on a Tuesday to attend afternoon tea for new staff and then orientation on Wednesday.
